

I am writing in support of the K-Love station. As a Christian station THEY should have top priority on the FM translators. They are truly a blessing to me and I believe to our community and this nation. They are Positive and Encouraging. When you turn on the radio you are not afraid of what you might hear especially if you have children with you. You know that K-love is a clean family friendly atmosphere enjoyable by all age groups. Also as a commercial free station, you do not have to worry about hear obscene advertisements. As this nation was founded by godly men, and was intended to be a nation that HONORED and OBEY the Almighty Creator, we should have more stations on the radio like K-Love. We need to keep the station on Air, and promote more stations like it. why? So our Nation can once again return to receiving the blessing of God.
